1. ELECTION

Applicants elect the Species of Claim 66. This election is made without traverse.

The above-identified patent application has been examined for restriction purposes only. The Examiner has set stated that although the claims are each directed to the same group, the application contains claims directed to patentably distinct species, namely claim 66, 67, 68, 75, 76, and 80. The Examiner has required the election of a single species for prosecution.

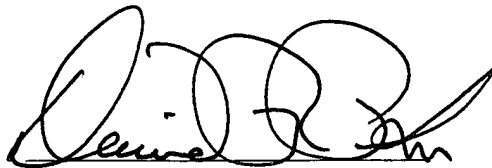

In the Office Action, the Examiner has restricted the claims to 6 different species.  
Applicant elects the species of claim 66 for further prosecution without traverse.

Applicants respectfully submit that the claims are ready for examination and in condition for allowance.

Please apply any charges not covered, or any credits, to Deposit Account Number 501321 in the name of David R. Preston & Associates, APC having Customer Number 24232.

Respectfully submitted,
